"Rules & Regulations"

Place your household trash and recyclables on the curb only in City-issued containers (96-gallon or 64-gallon wheeled carts for garbage and 64-gallon wheeled carts for recyclables).

- Containers such as plastic or galvanized cans or laundry baskets are not acceptable.
- You must bag all loose garbage, secure the bag with a tie, and place in your trash cart.
- Do not overfill your trash cart. LIDS MUST BE SHUT FOR COLLECTION to eliminate trash falling out of the container onto the street as the truck's mechanical arm is lifting the cart. OVERLOADED CARTS WILL NOT BE COLLECTED.
- Put your trash and recycle carts on the curb after 4:30 p.m. the day before collection or earlier than 4:30 a.m. on the day of collection.
- Place your trash and recycle carts about 3 feet apart so the truck's mechanical arm can avoid obstructions.
- Please remove your empty carts by 6:00 p.m. after serviced on collection day.
- Items not permitted in your trash and recycle carts are: hazardous waste, roofing material, concrete, plaster, dirt, sand, gravel, bricks, drywall and demolition/construction materials. These items will not be collected.

Special Pickup: This service consists of house, garage, and moving cleanouts of your household trash. You can also use this service to set out extra bags that will not fit in your trash cart, or use it during the fall for bagged leaf pickup. Customers are allowed 3 Special Pickups per calendar year on your normal collection day. PLEASE NOTE THAT YOU MUST CALL ONE WEEK AHEAD TO SCHEDULE A SPECIAL PICKUP: Call 3-1-1 (or 330-375-2311).

Weekly Bulk Pickup: On your normal collection day, the City will pick up bulk items such as furniture, dressers, mattresses, couches, chairs, bookcases, house doors, storm doors, windows, bicycles, TVs (19" and larger), tires, and appliances. Wood, branches, brush, carpeting, and fencing will also be collected weekly but must be bundled/rolled, tied, and no longer than 4 feet long. For questions about bulk pickups, please call 3-1-1 (or 330-375-2311). YOU DO NOT NEED TO CALL AHEAD TO SCHEDULE A BULK PICKUP.

No Hazardous Waste will be Accepted

Recycle collection days are every week.
